

## City of Springfield

is seeking applications for  
**Intern – Engineering**

**Department:** The Office of Public Utilities

**Division:** Technical Services

**Final Date to Apply:** 4/20/2026 at 11:00 PM CST,

**Work Location:** Dalman Power Plant

**Starting Salary:** \$20.00/hour

**Work Hours:** Monday – Friday, 8:00 am – 4:30 pm,  
*hours may vary*

**Union:** N/A

---

### In this role you will:

- Interact with engineering, operations, and maintenance personnel in the completion of daily routine technical work.
- Assist in gathering and correlating data for troubleshooting equipment and plant processes.
- Observe and interact in daily job briefings and during job hazard awareness/safety briefs.
- Assist in day-to-day technical support, such as updating/organizing documents and locating equipment specifications in drawings and manuals.
- Document and observe outside contractor and vendor interactions.

---

### Qualifications:

The ideal candidate will be pursuing a degree in Engineering or a related field, with strong communication and teamwork skills to collaborate with engineering, operations, and maintenance personnel. They will demonstrate analytical ability to assist in data collection and troubleshooting of equipment and processes, along with attention to detail in organizing technical documents and interpreting drawings and manuals. A willingness to engage in safety practices, participate in job briefings, and observe contractor and vendor interactions is essential. **Candidate must also be actively enrolled in an accredited college for Fall 2026.**
